CONSERVATION PLEDGE

I GIVE MY PLEDGE AS AN AMERICAN TO SAVE AND FAITHFULLY DEFEND FROM WASTE, THE NATURAL RESOURCES OF MY COUNTRY, IT'S AIR, SOIL AND MINERALS, IT'S FORESTS, WATERS AND WILDLIFE.

President's Corner December 2005 by Ben Pfefferle

PLAID SHIRT NIGHT was held November 5th. It was an excellent event. With the exception of the power outage we had for about an hour and a half, everything went very well. Everyone was running around with flash lights while the power was out, but a good natured attitude maintained most of the people attending, kept the evening a festive adventure. This was definitely one to remember. A big thanks to Great Lakes Energy crews for replacing the transformer that blew out on a Saturday evening, in a rain storm, in an hour and a half, from call to finish. Also, thanks to the cooks who maintained their cool and thanks to the fact we cook with gas which allowed the dinner to finish cooking while the power was out. The new addition and bathrooms looked and worked out great. Everyone seemed quite content that they could actually get up from their tables and move around freely. The raffle items were outstanding and there were a lot of nice door prizes also. The food out of the kitchen by Jack Thiel and his crew was delicious and plentiful. It doesn't get a whole lot better than that. Outstanding job by Ryan Kieszkowski and his support crew. Ryan just flew his maiden voyage with Plaid Shirt Night and did it well.

ELECTIONS OF CLUB OFFICERS Annual elections for the Fin & Feather Club will be at the December 14th meeting. With the exception of 5 Board of Director members, all positions are opened to be filled. If your interested in participating, please contact Nita or Bruce Finch as they will be actively recruiting nominees for the various offices. **NO EXPERIENCE REQUIRED** We need new blood and new ideas. If you don't like what you see happening, then this is the way you go about changing things.

VOLUNTEERS we're always looking for a few good people. If you're even slightly interested in helping out, please call or e-mail me with your interest and we'll try to match you up.

KITCHEN STAFF We have a new head of the kitchen who will be taking over after the first. Her name is Arlene Wierda and her husband Ted will be helping her. She will need help especially for clean up. Please let me know if you're interested or contact Arlene.

BUILDING AND GROUNDS Bill Olsen and Jim Kieszkowski will be taking over Building and Grounds. As always, additional help would be appreciated. Let me know if you're interested.

REMODELING PROJECT The new addition and bathrooms are 99% complete. There are a couple of outside and inside items to be dealt with for 100% completion. The outside items may have to wait till spring. The project was completed on time and within budget as promised.

MEMBER OF THE YEAR I'm looking for nominations for Club "Member of the Year". Please submit nominations in writing with a brief explanation of why you think the individual is deserving of the honor. Send to our PO Box or e-mail to me.

Gotta go, see you round the club, The Pres

We would like to welcome Doug and Diane Chaffin from Newport, MI as new "Friends" of Fin & Feather. Doug and Diane have a second home in Baldwin and are members of the Fin & Feather Club. They became new Friends on Plaid Shirt Night 2005. When Doug and Diane lived in Hart five years ago, Doug worked for Huntington Bank. Doug now works for Monroe Bank and Trust. ALSO, welcome, Marcy Spencer-Knowles in memory of her father, Clayton M. (Bug) Spencer, on becoming a Friend of Fin & Feather. As you all probably know, "Bug" has been a member of Fin & Feather for years and was an avid hunter. We do miss him. Thank you Marcy for donating in memory of your father.

The Friends Program helps to assist the club in conservation and education programs that otherwise couldn't be accomplished by regular club finances. The Friends Program are private citizens and business owners who donate \$200 annually. I would like encourage current Fin & Feather members to think of just one (1) person that may have an interest in becoming a FRIENDS member and e-mail or call me with this friendly lead. Working as a team can make a difference. Contact Ingrid Wadel in care of the Fin & Feather Club, PO Box 402, Ludington, MI 49431 or call (231) 898-2578 or by e-mail "iwadel@carrinter.net". Thank you.

THERE WILL BE A BOARD OF DIRECTORS MEETING DECEMBER 7TH, WEDNESDAY AT 7:00 PM. MONEY MATTERS AND PRELIMINARY BUDGET FOR THE YEAR 2006 IS ON THE AGENDA.

The Quarterly Board of Director Meetings:

DECEMBER 7, 2005

JANUARY 4, 2006

The Board meetings are subject to change,, watch for rescheduling in the Tattered Feather. The board meetings are open to all interested club members. The meetings will begin at 7:00 PM

Big Game Award Night:

Big Game Award Night will be held Saturday, February 4, 2006. Last year was the first this concept was used and everyone liked it as we received good feedback. With the addition to the club house, we will be able to display more big game heads. We're planning on having outstanding raffle items, another live auction, and another great woman's get-away package. One of the highlights of the evening, will be a black bear hunt donated by Lorraine Wilson of Wilson's Trading Post Outfitters. This will be an outstanding hunt with lodging, and food provided. This hunt is for one person with your choice of weapons.

We are inviting everyone to bring their trophy's, weather it be deer, bear, elk, caribou, or what ever, so time permitting, they can be scored and admired by the people attending this event. Tickets will go on sale at the December meeting, December 14th. 200 tickets will be sold at \$35.00 per person. They usually go very fast, so don't wait till the last minute to get yours or you might be disappointed.

We'll be contacting last years committee members to get plans underway. There will be a meeting at the club house, Monday, December 12th at 7:00 PM. If you're interested in helping with this great event, contact Bruce or Nita Finch (231) 464-5742 or e-mail "bearladyone@hotmail.com"

OUTSTANDING FIN & FEATHER CLUB MEMBER FOR 2005

Every year the Fin & Feather Club awards to a club member the honor of being the Outstanding Club Member of the year. This award is given to a member who shows outstanding devotion to the club and has devoted his/her time, talents and expertise to the club in an unselfish manner beyond the normal. To nominate someone, write down their name and a brief paragraph why you feel they deserve this honor and send it or give it to President Ben Pfefferle, PO Box 402, Ludington, MI 49431. At the Board of Directors meeting in December, the nominee will be voted on and the Outstanding Club Member will be announced at the January 11, 2006 club meeting. I know there are a lot of deserving people out there that need to be recognized for their dedication to the Fin & Feather, so get your pencils out and get that name in.

NEXT FIN & FEATHER CUB MEETING:

The next club meeting will be held Wednesday, December 14th. Dinner will be served at 6:00 PM. Cost is still \$7.00 for a dinner with all the fixings. Please call for reservations 231-757-4234.

N.R.A. NOTES.....

DO THE MATH.... Arguably, the NRA is one of the most powerful lobbies in state and national politics. What makes it so is pure and simple—Numbers. Numbers of voters to be more specific. The only way that we can protect what we now have and to pass new laws to further protect our rights and freedoms, is to add each and every one of us to their roster. Numbers equate to power. Michigan and a few other states are trying to take Florida’s lead in the “Castle Doctrine” law. Just passed by Florida, this law makes CPL holders exempt from prosecution and lawsuits by the criminals. It also has a much broader interpretation of where we can defend ourselves, negating the “run away first” mandate. (I’ll try and keep a close eye on how this is going). **FOR LESS THAN 7 CENTS PER DAY**, you can become a member and receive **A FREE shooting cap**, great magazine, discount on rental cars, motels and much more. All of this and a 24-7 watchdog for your rights—Numbers we can live with. Join or renew today..

TRAP & SKEET REPORT

Trap and Skeet shooters take notice! Schedule changed for December! In response to a survey taken earlier in the year we are going to try a revised schedule for trap and skeet. Starting **Saturday**, December 3, trap and skeet will be held on Saturday mornings from 9:30 to noon. There will be **no trap or skeet shooting on Sunday**. The ranges will continue to be open Tuesday evenings, skeet at 5:30 and trap at 6:30. This is an experiment and we will decide whether to make the change permanent or not based on the response we receive. If you can’t make it out to the range but would like to make your desires known contact Tom Sheppardson at 231-757-3829 or e-mail to:

tom@sheppardson.com.

Trophies for the club trap and skeet championships will be awarded at the next club meeting on Dec. 14.

Plaid Shirt Night 2005

The annual Plaid Shirt Night banquet held on November 5, 2005 at the Fin and Feather Clubhouse was one of our best Plaid Shirt Nights. Even though we lost power for an hour and a half, everyone had a wonderful time (Thanks everyone for being patience until the power was restored).

The Editors Corner by Nita Finch

I have heard mixed results on the 2005 deer season. Some people seemed to have had a pretty good season, but the majority of the people that I have talked to have found the deer very sparse. We fall into the last group. Our season was probably the worst that we have had since we brought the Finch property. Deer numbers are down drastically.

The club house addition and the new bathrooms are really great. Any members who haven't seen our new addition should try to get out to a meeting or a clubfunction so they can see how the club has progressed.

This is not an advertisement only a notice that Bruce and I are now the official booking agents for "Wilson's Trading Post Outfitters" in White River, Ontario, Canada. We will be booking winter wolf hunts, bear hunts, moose hunts and fishing trips.

Hope the "snow birds" have a healthy, snow free winter, and the ones that are left snow-bound (ME) enjoy your holidays and have a healthy winter.

FIN & FEATHER CLUB IS NOW ON THE WEB-SITE.... Go to "www.finandfeatherclub.com" to check out the web-site. A big thank you goes out to Deb Hanna for keeping the web site up to date and for making any and all corrections. We will be working to get any bugs out and to add to the web-site. Any suggestions how we can better the site, contact me. The Tattered Feather is available on the web-site, after the first of the year, if you wish the Tattered Feather not delivered to your home and want to just receive it on the web-site, please contact me, as the savings and postage will help your clubs budget (postage is going up the first of 2006)

Doug Leafstrand just returned from a Colorado Elk hunt with his son Tim. He said he seen a lot of elk but the elk was on private property and only 1/2 mile from where they were hunting, so they didn't get a shot. The elk would not come into his area. The photos are deer that would come to his son's back yard for a daily hand out in Ridgeway, Colorado. The deer would come right on the deck for an apple or an orange and would let you rub his neck. Thanks to Doug for sharing these photos.
